# About Our Company

**Artek Al Jazeera Establishment** for Garden & Landscape Work is a premier landscaping company based in Riyadh, Saudi Arabia. Established in 2000, we specialize in transforming residential and public outdoor spaces through innovative, sustainable, and aesthetic landscape solutions. Our team is dedicated to delivering projects that blend beauty with functionality.

## **Our Services**

### **Landscape Design & Construction**

We provide comprehensive design and execution services, including both softscapes (lawns, plants, trees) and hardscapes (walkways, patios, decorative features).

### **Residential Landscaping**

We offer personalized garden design and maintenance solutions that reflect the unique preferences of homeowners, enhancing property value and aesthetic appeal.

### **Public Spaces Development**

We have the capability to design and execute landscaping projects for parks, street medians, public gardens, and other urban green spaces.

### **Irrigation Systems**

Installation of smart and water-efficient irrigation systems tailored to the unique needs of each landscape.

### **Landscape Maintenance**

Regular and seasonal maintenance services including grass cutting, pruning, fertilization, pest control, and waste removal.

### **Special Features**

We offer custom features such as lighting systems, garden furniture, fountains, vertical gardens, and shaded structures.

### **Our Mission & Vision**

To provide high-quality landscape design, installation, and maintenance services that exceed customer expectations and enhance the green infrastructure of Saudi Arabia.
